STRATEGIC GOAL: NO. 7: Enhance and Sustain El Paso's Infrastructure Network

SUBJECT:

Approve a sole source contract, 2017-873, with SPX Corporation dba Genfare., the exclusive provider of parts for Genfare ticket vending machines and parts for an estimated annual total of \$205,936.32 to allow Sun Metro to purchase 3 Ticket Vending Machines (D26350-4411B) and parts as needed to maintain said TVM's. Two units are needed for the new Northeast terminal and garage and one will be utilized as a testing and emergency unit.

BACKGROUND / DISCUSSION:

Approval of this item will allow Sun Metro to purchase the current TVM model in order to standardize parts and repairs but more importantly to interface seamlessly with current fare and cash collection system which is also a Genfare product. This eliminates any modifications or edits to current program and fare structure requirements. Sun Metro's inventory consists of 28 machines currently in service.

SELECTION SUMMARY:

SPX Corporation dba Genfare is the exclusive distributor of parts for Genfare machines. Sale of these parts is strictly limited thru the OEM manufacturer.
